

MABOU MINES

SUITE/Space Program at Mabou Mines Project Proposal

Thank you for your interest in submitting to Mabou Mines' SUITE/Space.

- 1) Open [this Application Form](#) and complete all question fields.
- 2) On the final question, attach your Project Proposal as **a single PDF Document labeled "FirstName_LastName.pdf"**.

Project Proposal Requirements (to be typed and submitted as a single PDF attachment):

1. An up to 250-word Artist Statement

Please describe your personal artistic practice, and what drives or motivates your artistry.

2. An up to 500-word Project Description

In your Project Description, include:

- a project synopsis with project history, including previous development, residencies, readings and showings,
- how SUITE/Space advisement, rehearsal space, technical support, and funding will advance your project in preparation for performances at Mabou Mines in January 2024, including what changes/areas of development you hope to address,
- basic technical needs for the project (projections, sound, lighting, dance floor etc.) Indicate whether you are working with designers., and
- a list of collaborators and other key team members.

3. Resumes

Resumes of the lead artist/company and any key collaborators (one page per artist).

4. Video Work Sample

Link to video work sample (max 4 min) preferably of the proposed work. If no documentation of the proposed work is available, please substitute with a video of another representative work. We also appreciate website links and any other supporting material you would like to include, including script excerpts, MP3 files, etc. Please ensure we have access permissions for each work sample link.

Please submit all application materials as a single PDF document at this link:
